## PURPOSE

To ensure the protection and safety of children, staff members and families accessing the Service. Staff will only release children to an authorised person. The daily sign in and out register will be used to determine who is present at the Service in case of emergencies.

## SCOPE

This policy applies to children, families, staff, management and visitors of the service.

## IMPLEMENTATION

Guidelines for delivery and collection of children are put in place to ensure the safety and wellbeing of each individual child.

## ARRIVALS

- In order for children to feel secure and safe, it is important that they are greeted upon arrival by a member of staff and have the chance to say goodbye to the person delivering them. Saying goodbye helps to build trust. Leaving without saying goodbye could cause the child to think they have been left behind.
- All children need to be signed in. This will include the time and parent signature
- Sign in sheets are to be used in the case of an emergency to account for all children.
- Children are to be sighted by an educator before the parent or person responsible for the child leaves. This ensures that the educator is aware that your child has arrived and is in the building.
- A child's medication needs or any other information should be passed on to one of your child's educators by the person delivering the child.
- In the case of a separated family, either biological parent is able to add a contact in writing unless a court order is provided to the Director stating that one parent has sole custody and responsibility.
- In the case of an emergency, where the parent or a previously authorised contact is unable to collect the child, the parent or person responsible for the child (as listed on enrolment form as

having a parenting role) may email the service and arrange an alternative person to pick up the child. Management staff will confirm receiving the email.

## DEPARTURE

- Parents are to advise their child's educator if someone different is picking up their child, both verbally and on the sign in/out sheet. This person is to be named on the enrolment form or added in writing to the Director as an authorised contact for the child.
- Photo identification will need to be sighted by a Primary Contact Educator. If educators cannot verify the person's identity they may be unable to release the child into that person's care.
- All children must be signed out by their parent or person who collects the child from our service. If the parent or other person forgets to sign the child out they will be signed out by the nominated supervisor or an educator.
- No child will be withheld from an authorised contact or biological parent named on the enrolment form unless a current court order is on file at the service.
- Children will need to be signed out on the same sheet as they were signed in.
- Parents are requested to arrive to collect their child/children by 6.00pm.
- In the case of a particular person being denied access to a child, the service requires a written notice from a court of law. Educators will attempt to prevent that person from entering the service and taking the child, however the safety of the educator is also important and they will not be expected to physically prevent any person from leaving the service. In this case the parent with custody will be contacted along with the local police. The court order overrules any requests made by parents to adapt or make changes. For the protection of the children and educators, parents are asked not to give our front door code to anyone other than those absolutely necessary.
- Nominated Supervisors will ensure that the authorised nominee pick-up list for each child is kept up to date. It is our policy that we do not allow anyone under the age of 18 to collect children.
- If the person collecting the child appears to be intoxicated, or under the influence of drugs, and educators feel that the person is unfit to take responsibility for the child, educators will:
  - Discuss their concerns with the person, if possible without the child being present
  - Suggest they contact another parent or authorised nominee to collect the child.
  - Educators will inform the police of the circumstances, the person's name and vehicle registration number if the person insists on taking the child. Educators cannot prevent an incapacitated parent from collecting a child, but must consider their obligations under the relevant child protection laws.
- At the end of each day educators will check the premises including outdoors and indoors to ensure that no child remains on the premises after the service closes.
- Children may leave the premises in the event of an emergency, including medical emergencies.
- Details of absences during the day will be recorded.

## VISITORS

To ensure we can meet Work Health and Safety requirements and ensure the safety of our children, individuals visiting our service must sign in when they arrive at the service, and sign out when they leave.

## LATE COLLECTION OF CHILDREN

- If there are children still present at the Service upon closing, a minimum of two Educators must also be present.

- **Late Collection of Children:** OSCA closes at 6:00 pm and is not licensed to operate beyond this time. Insurance coverage is affected for both children and staff after 6:00pm.
- If OSCAQ cannot verify a child's whereabouts and parents/emergency contacts cannot be reached, the police will be called at 4:00 pm at 9273 6000 to inform them that the child is not accounted for.
- **Absentee fee for ASC with no notification:** Parents will incur an absentee fee of \$15.00 for every ASC session when OSCA has not been notified via email, text of a child's absence for that session.
- If children are collected after 6:00 pm parents will incur a penalty fee of \$1.00 per minute per child.
- If you know that you are going to be late, please notify the Service and make arrangements for someone else to collect your child.
- If you have not arrived by 6:00pm you will be contacted. If we are unable to contact you and your child has not been collected, we will call alternative contacts as listed on your enrolment form to organise the collection of your child by one of them".
- Due to licensing and insurance purposes, if by 6:30pm neither you nor any of your authorised contacts are available or contactable, OSCA will contact the Crisis Care and provide family details at 9223 1111.
- The CS staff will call and or leave a voice and text message to ensure parents that their child is now in the care of Crisis Care.
- A sign will be displayed at the Service notifying you of your child's whereabouts. If this occurs we will be obligated to contact Family and Community Services and inform them of the situation.
