Mt Hawthorn OSCA is a not-for-profit Centre that provides an out of school hours environment appropriate for children navigating the important stages of middle childhood.

We are a Centre that believes in learning through play. At Mt Hawthorn OSCA, children are given the opportunity to gain a sense of responsibility and express their freedom of choice, whilst developing friendships in a comfortable, relaxed, and enjoyable environment.

We aim to continually encourage and promote eco-consciousness through a variety of sustainable practices. Healthy food choices will be promoted through the provision of nutritious and varied snacks, whilst respecting a variety of dietary requirements and adhering to allergies.

In addition, children attending OSCA build relationships with a range of other students. This helps build a sense of community that is nurtured at OSCA and extends beyond our Centre and into Mount Hawthorn Primary School.

Care at OSCA is childcare benefit eligible.

Unfortunately, care is not provided for kindergarten students due to our license requirements.
