PURPOSE

Our service is committed to meeting our duty of care obligations under the National Law & Regulations to ensure a Responsible Person is on the premises at all times to ensure the health, safety, wellbeing, learning and development of all children at the service which meets all legislative requirements.

SCOPE

This policy applies to the nominated supervisor, certified supervisor, families, educators, students, and volunteers.

DEFINITIONS

Name	Definition
Nominated Supervisor	A person with responsibility for the day to day management of an approved service. The Nominated Supervisor has a range of responsibilities under the Law and Regulations that govern the operation of education and care services.
Certified Supervisors	Educators who have a Supervisor Certificate and have current knowledge of children protection.
Responsible Person	A person who is physically at the service and has the role of Nominated Supervisor or Certified Supervisor. The Responsible Person has consented to be placed in day to day charge of the service but does not take on the responsibilities of the Nominated Supervisor rather they ensure the consistency and continuity in practices.

IMPLEMENTATION

The name of the responsible person will be clearly displayed in the main entrance of the Service.

If the responsible person needs to change, they will “hand over” obligations for the role to another qualified person at the Service. Both the old and new responsible person will converse directly and ensure the name of the responsible person presented at the Service appropriately reflects who presently holds the position.

Our service will have at least one Responsible Person always present when caring for and educating children.

Management will ensure:

- A record which includes the name of the responsible person at the service for each time that children are being educated and cared for by the service.
- The Responsible Person are over the age of 18 years old.
- Educators meet the minimum requirements for qualification, experiences, and management capabilities.
- The Responsible Person is a fit and proper person
- The Responsible Person is on duty during both BSC/ASC and during Vacation Care.
- The Responsible Person interchanges with the Nominated Supervisor in their absence.
- Written consent of the Nominated Supervisor role has been accepted.
- In the absence of the Nominated Supervisor, a Responsible Person is placed in charge of the service.
- The staff record has the name of the responsible person at the service for each time that children are being educated and cared for by the service.

Responsible Person:

- Sign their name & present time on the Responsible Person Record.
- Provide written consent to accept the role of Responsible Person.

- Check that the name and position of the Responsible Person in charge of the service is displayed and easily visible from the main entrance of the service.
- Inform the Director in the event of absence from the service due to leave or illness so they can be replaced by another Responsible Person.
- Ensure they have a sound understanding of the role of Responsible Person.
- Abide by any conditions placed on Responsible Person.
- Understand that a Responsible Person placed in day-to-day charge of the Service does not have the same responsibilities under the National Law as the Nominated Supervisor (i.e.: Director)
